l'alta cucina esce all'aperto

Dal 1963 lavoriamo per creare un prodotto semplice, versatile, divertente e allo stesso tempo sicuro, italiano e di qualità: un barbecue che ci ha permesso di entrare nelle case di chi ha appoggiato i nostri progetti.

Da più di 50 anni portiamo l'alta cucina nei Vostri giardini ed è bello pensare di vivere insieme a Voi, con i nostri barbecues, momenti gioiali attorno ad un banchetto grigliato in modo salutare e genuino.

Siamo ora lieti di festeggiare queste nozze d'oro della cucina italiana continuando una lunga tradizione di affezionata partecipazione.

Grazie a tutti Voi

Since 1963 we have worked to create a user friendly, versatile, fun product and, at the same time, able to ensure safety and quality, all made in Italy: a barbecue, which allowed us to enter the homes of those who have supported us in our projects.

For more than 50 years we bring haute cuisine in your gardens and it's nice to think of living together with you, with our barbecues, jovial moments around a grilled banquet in a healthy and genuine way.

We are now pleased to celebrate this golden anniversary of Italian cuisine, continuing a long tradition of lovely participation.

Thanks to you all
